Assemblymember Catherine Stefani

Dear Assemblymember Stefani,

On behalf of the San Francisco Deputy Sheriffs' Association Political Action Committee, I would like to thank you for taking the time to engage with our organization and for your longstanding support of public safety professionals and working families throughout San Francisco and California.

After consideration, the SFDSA PAC is proud to endorse your campaign.

Throughout your career in public service, you have demonstrated a consistent commitment to public safety, victims' rights, neighborhood advocacy, and collaborative government. Your experience as a prosecutor, policy analyst, county supervisor, and community advocate has reflected a deep understanding of the challenges facing our communities and the importance of effective public service.

We particularly appreciate your efforts to improve community safety, support first responders, advocate for victims of crime, and work toward practical solutions that strengthen neighborhoods and improve quality of life for working families.

Your willingness to engage directly with labor organizations and public safety professionals has always been appreciated by our membership, and we value the professional relationship the SFDSA has maintained with you over the years.

The SFDSA PAC looks forward to continuing to work collaboratively with you moving forward, and we wish you success throughout the remainder of your campaign.

Sincerely,

Danilo Quintanilla
President of the San Francisco Deputy Sheriffs' Association
